Fr. Nick started the meeting with a prayer.

The meeting was called to order at 6:34 pm

- September 10<sup>th</sup> minutes were approved by consensus
- Financial Statements were reviewed and approved.

**Financial/ Pastoral Business**

- Fr. Nick discussed possibly buying hard copies of the missalettes instead of the recyclable ones. It would be a larger expense in the beginning, but due to reusing them every year, in the long run would be cost effective
- Fr. Nick informed us of when he would like to have the Christmas/ Christmas Eve masses and where they would be held.

**Building and Grounds Business**

- Sacristy steps have been repaired
- The Archdiocese Inspection Report came back and the only thing that needed done was a wooden stepladder replacement with a metal one.
- A discussion was brought up about the condition of the brick work around the windows and front arch. This was tabled until next Spring.

The meeting closed with a prayer at 7:20pm
