- May 14 minutes were approved by consensus
- Financial Statements were reviewed and approved.

Financial/ Pastoral Business

- Fr. Nick had a discussion with the council about the status of the parish and next year's financials. He stated that the diocese has not changed their view but Fr. Nick is very interested on trying to do everything we can to continue as an operating parish. One thing that was discussed was trying to get the \$24,000 we had to take out of savings for the roof back into our account through donations. This would help give us a cushion for future finances.
- August 15th Picnic: Drive thru was a success and was received very well by the public. We rose about the same money on average as we typically do other years. Thanks to all who helped put this together during such a trying time due to Covid.

Building and Grounds Business

- Repairing the steps to the Sacristan was discussed and will talk to Nancy and Gary for further details.

The meeting closed with a prayer at 7:20pm
