| Center-Sunday 2 <sup>nd</sup> Shift   | Group 3                 |

As our community ages and our parish membership gets smaller, less and less volunteer hands are available to make Czech Days possible. The 2023 Head Committee has decided to try a different route for our chicken noodle soup and cream of chicken this year. This will eliminate the need for noodle baking days, as well as cooking chickens. Please keep an eye out for schedule changes & further details in the book.

Our main goal with these changes is to cut down the taxing amount of volunteer preparation hours so we can channel more energy into Czech days, making the weekend successful and enjoyable.

As a committee, we greatly appreciate all of the hours that go into making this great event happen year after year, but we also recognize that changes need to be considered to be able to sustain our volunteer force and be in the best interest of the longevity of Czech Days. If you have any questions regarding these changes, please feel free to reach out to one of the head committee members.

We're looking forward to another awesome year!

The 2023 Head Committee

Jess & Linley Cavin, Randy & Megan Swestka and Chad & Maggie Mills
