Nov. 8th meeting minutes were reviewed and approved.
The financial statements were reviewed and approved.

Old Business:

- Dave and the council members will look at the stained glass window trim on the west side of the church which was hit by hail last summer and see what repair should be done. Dave will then contact the insurance adjuster and Jake's Roofing.

New Business:

- Rectory sump pump: The church received a letter from the city to update the connection from the sump pump to comply with code. Dave will contact Greg Barta about this.
- Jason Herold has accepted the junior council member position.
- The finances for Trinity School were assessed and to offset the diminishing third party donor contributions tuition and parish contributions will be raised. The council approved these changes, however, with St. John current student enrollment the parish contribution will be lowered by about \$3,400 for the 2019-2020 school year.
- NCYC donation: The council has approved the donation for NCYC for \$500.

The next council meeting is TBD.
