Meeting called to order 6:32 p.m.

Father opened with a prayer

May 's minutes were reviewed.

Motion made by Jon to approve the minutes seconded by Patty.

Review of Profit and Loss Comparion Sheet

Father reported our Parish is in good financial shape. Income is actually up.

Rendevous profits were excellent. Noted that we even had more profit from years we held the chicken dinner.

Noted that the Parish guild is doing a great job, and should continue with what we are doing.

Old business:

*Rectory driveway has been repaired by Frontier Mudjacking, and looks to be well done. Also repaired sidewalks.

Need to get it sealed within 30 days. Father will call to find out who will do the sealing.

*Sacristy Door - Father will contact Panos again to see if they would come take measurements.

*Crittters in the rectory roof -- Father will wait until next year, as he has not heard them lately.

* Trees near church. We will do nothing right now, but will consider in the future.

New Business

* Father will review when to have a mass during Rendevous, as the 8:30 mass conflicted with the breakfast.

Next council meeting TBD
