REVIEW PROFIT AND LOSS AND BALANCE SHEET

Contributions down slightly for this time period last year.
Expense are also down.
No concerns, contributions usually higher end of the year.
Overall our income is up , due to the investment portfolio. Assets are up 5.8%
Question was asked about the Endowment fund, and whether that would go into a shared account or stay with the St. John parish once the pastoric is formed. Father was going to look into it.

FINANCIAL/PASTORAL BUSINESS

Journey of Faith will be holding 2 more meetings, Nov. 8th and 12th. Gathering of information will end on Nov. 21st.
There is a new model that has been gaining traction.
Hopefully the feed back at these meetings will help with the decisions being made.

Building and Grounds Business

- *The TV in the rectory needed replacing. Father purchased a new one.
- *Air conditioning units have been triggering the breakers. Father called Marv Smit Elect. To take a look at them.
We will be looking into updating the existing or replacing. We are going to look at the furnaces at the same time.
- * High Altar painting. Father has been contacting the place in Chicago, but they have not returned his calls.
He is going to send an email, and maybe contact some alternate places.
- *Building Security. -- The Winneshiek County Sherrif contacted Father to let him know they do periodic checks on the buildings, and reported it was secure. This is just a random check, do not count on them for the security of the buildings. We do not feel it is an issue at this time.

Motions was made by Patty to adjourn, and seconded by Leon.
Father ended the meeting with a prayer.
Meeting adjourned at 6:55.
