Meeting called to order at 7:01PM and opened with a prayer.

The October 30, 2025 meeting minutes were reviewed. Jim motioned to approve. Eric 2nd.

The updated financial statements were reviewed.

- Expenses and income were discussed and updated for end of the 2025
- Updated end of year building improvement funds and final donations for 2025
- Discussed Heritage Dinner. Very Successful for 2025. Dinner and raffle went very well.
- Building improvement fund increased to 97,000 from December donations

Financial and Pastoral Business

- Future Archdiocese pastoral plans within the Journey of Faith were discussed. Each parish model across the Archdiocese has been modified in some form according to the feedback from each parish. Awaiting announcement in April.
- Discussed donor plaque for the back of church for the renovation project. Looking into different options.

Building and Grounds Business:

- Tuckpointing project, we have 97,000 in fund for building improvements. Planning to finish tuckpoint front transept areas we did not finish last fall. Includes the side triangles above the roof and front transept windows below the limestone ribbon and down. These areas will complete the front/side transept areas that did not get finished last fall. Quote is for 21,000 per transept. 42,000 Total.
- Stainless hand railings are made for sides of church steps, waiting for good weather to install.
- Stone railings on west side of front steps are crumbling and in need of repair. Council and members look into addressing this summer.
- Boiler system recall/warranty work is complete.
- Discussed shadow box and the need for a matching picture frame for Fr. Aloysius Schmitt display in church.
