Old Business:

- Rectory: The rectory tear down is complete. The final bill has been received from Walt Wenthold Excavating for \$5,216.82 and we thank him for his donated labor. The council appreciates all the help from those involved and will be sending thank you cards. The council also agreed to send \$100 to the Waucoma Fire Department.
- New council member: The council welcomes Ken Gossling as the newest member to the council and appreciates his willingness to serve.

New Business:

- Handicap signs have been put on the west side of church and on the northwest corner of the new parking lot.
- The council unanimously agreed to the custodians \$3/hr. wage increase.
- Steve received a bid for \$1,330 from Kohlmeyer for the upkeep of the garage door, west door and soffit as well as the south west door to the basement. The council agreed to move forward on the restoration of the project. A notice will be put in the bulletin that donations would be accepted for this project and help cover the cost of the rectory teardown.
- The council would like Presto-X to come in the late summer and fall and spray the interior of the building for bugs. Terra will call them to give them Rosemary Knox and Ken Hemesath's phone numbers so they can be called in advance to unlock the church.
