Financial and Pastoral Business:

- An estate gift was received from Ronald Nolte with restrictions for the parish to remain active or in oratory status for 5 years following his death or the amount given would pass to St. Luke Church. After some discussion it was decided to send the money to St. Mary's Savings Account at the Archdiocese Deposit and Loan to earn better interest for now. Ken was going to contact Michelle Brock at the Archdiocese and get more information on endowment funds.

Building and Grounds Business:

- Service Master completed the cleaning of the soot in the church. The cost of the project was covered by insurance.
- The council received multiple bids to paint the interior of the church. After some discussion the council decided to hold off on painting and focus on other repairs first such as water issues. An area around a window will be repaired and painted as well.

Adjourned at 7:28 pm.
